GREETINGS

We have moved our way through the Winter months more easily this year thanks to the warmer days. They seemed to have made us a little bit more hopeful and grateful for the changing of seasons. In this Springtime, our minds are also fixed on the celebration of Easter. Just as this Winter has promised us Spring, so have we been given the promise of salvation and the truth that Jesus lived, died and rose again! Be blessed this Easter knowing that He is coming back again!

VITA

United Way is offering their VITA program again this year to assist with filing taxes! If you make less than \$62,000/year you qualify for free assistance with tax preparation.

Call 2-1-1 to setup an appointment.

Community Gardens

Here at Solanco Neighborhood Ministries we strive to provide our families with fresh, healthy foods. One way that we make that possible is by harvesting fruits and vegetables from our community gardens during the warmer months. We invite families to drop in during our hours to gather what they will use!

We also gladly take donations of fresh produce!
